University, Malaysia.

**DONATION of the KNOWLEDGE and  
Short CV**

(Short)<sup>1</sup>

## **Introduction:**

During 2015 and on December 2<sup>nd</sup> I have concluded and published research and scientific book on Nature, digital bilingual English and Slovene (Slovene 37 – 70 pp.) book 211 pp. with title “Nature 2015 (Anthology 3)”. As a result I am updating the Donation of the Knowledge per January 15<sup>th</sup> 2016..

## **TO WHOM IT MAY CONCERN**

### **Re: Donation of the Knowledge**

The donation is a result of my whole life learning, observing, research and scientific work. My first research work was done in 1964-1965, when I was a student. I completed the study of veterinary medicine on 16<sup>th</sup> January 1966. Between 1966 and 2016 - I received 7 professional certificates. In addition during May 2004 I took a digital examination and received a professional certificate from the UN in the field “Basic Security in the Field – Staff Safety, Health and Welfare”. During November 2012 I received the Civil Certificate number 000 000 016 as “a Citizen of the Earth XXI” and on October 7<sup>th</sup> 2015 I have received “Aristocrat Certificate” Id. No. 000 011 from World Philosophical Forum, The Socratic Philosophical School and Aristotle Philosophical Academy. On December 29<sup>th</sup> 2015 – I received The Marquis Who’s Who Publications’ Board Certificate of me recorded in the Thirty-Third Edition 2016. With those I got 11<sup>th</sup> professional certificates.

I was nominated for the Nobel Prize four times 2003, 2007, 2010 and 2012. I received the Gusi Pace Prize International award on 28<sup>th</sup> November 2012, when I received their plaque as one of the Laureates.

With this donation of knowledge I have an intention to contribute for a better tomorrow of humanity and survival of the global community of humankind by entering sustainability times during 21<sup>st</sup> century.

The donation has been composed through my learning - and research work within the nature, mature space and environment protection, and sustainability of humanity activities within the global studies between 2000 and 2016. My tools are; Philosophy; System Thinking; Requisite Holism; Complex Problem Solving; Case Study; Operational Research; Theory of Systems; the Information

---

<sup>1</sup> “Short« original registered document was in 2013 but for information short version was introduced because I care for understanding of the document.

Theory of the Nature; the Environmental Theory of the Nature; Networking and Complexity; Swarm research; Integration and Disintegration of matter and energy; and classical methods of the nature research based on observing, learning, understanding, and researching.

My donation includes the following books and works:

**The digital and other publications at home page [www.institut-climatechange.si](http://www.institut-climatechange.si) Timi Ecimovic et al from 2002 – 2016:**

1. “System Thinking and Climate Change System (Against a Big “Tragedy of Commons” of all of us)”, Ecimovic, Mayur, Mulej, et al, 2002, ISBN 961-236-380-3
2. “Agenda 21” – Bosanska Krupa, Bosnia and Herzegovina, Ecimovic et al, 2005.
3. “Our Common Enemy (The Climate Change System Threat), Ecimovic, Amerasinghe, Braki, Shankaranarayana, Chumakov, Haw, Wilderer, and Martin, 2006, ISBN 961-91826-0-x
4. “The Information Theory of Nature, and .....”, Ecimovic. 2006, ISBN 961-91826- 1-8
5. “The Sustainable (Development) Future of Mankind”, Ecimovic, Bunzl, Esposito, Flint, Haw, Mulej, Shankaranarayana, Wilderer, Williams, and Udyavar, 2007, ISBN 978-961-91826-2-8, been first book of the trilogy. .
6. “Sustainable Future, Requisite Holism, and Social Responsibility”, Bozicnik S., Ecimovic T., Mulej M., et al, digital CD on sustainable future been number two of the trilogy, 2008, ISBN 978-961-91826-4-2.
7. “The Climate Change System Introduction”, Ecimovic T., Mulej M., English and Slovenian language, ISBN 978-961-91826-5-9, 2009.
8. “The Sustainable Future of Mankind III” Ecimovic, Esposito, How, Mulej, et al, digital book, ISBN 978-961-92786-2-8, 2010, been third book of the trilogy.
9. “The Three Application of the System Thinking”, Ecimovic, paper and digital book, ISBN 978-961-92786-0-4, 2010.
10. “The Climate Change System Introduction”, Di Done, Ecimovic, in Canada English, paper and digital booklet, ISBN 978-961-91826-8-0, 2010,
11. “Le System de changements climatiques Introduction”, Di Done, Ecimovic, in Canada French, paper and digital booklet, ISBN 978-961-92786-5-9, 2010.
12. “Zum Klimawandel – Eine wissenschaftliche Einfurung”, Hamann, Ecimovic, Mulej, paper and digital booklet, ISBN 978-961-92786-4-2, 2010.

13. "The Climate Change System Introduction", Ecimovic, Naser, Mulej and Di Done, Arabic, 2011, ISBN 978-961-93136-0-2
14. "The Principia Nature – the Nature and Homo sapiens Global Community", Ecimovic T., 2011, ISBN 978-961-92786-7-3
15. »The World Thinkers' Panel on the Sustainable Future of Humankind« the declaration in English ISBN 978-961-93136-1-5 (pdf), Slovenian ISBN 978-961-03136-5-7 (pdf), German ISBN 978-061-93136-2-6 (pdf), Spanish ISBN 978-961-93136-3-3 (pdf), and Arabic ISBN 970-961-93136-4.0 (pdf), all digital, September 25<sup>th</sup> 2011. Translations are totaling 30 + languages.
16. "The Sustainable Future of Humankind – IV, Xiamen, China and after", Ecimovic T and Haw R. et al, January 30<sup>th</sup> 2012, digital book, ISBN 978-961-93136-6-4.1, January 2012.
17. "Sustainable Future of Humankind – V, the Action Plan", Ecimovic, Haw et al, ISBN 978-961-93136-7-1 (pdf), digital book, December 21<sup>st</sup> 2012.
18. "The Sustainable Future of Humankind – VI, the World Governing", Martin, Ecimovic et al, ISBN 978-961-93136-8-8 (pdf), digital book, February 2013.
19. »The Philosophy of the Sustainable Development and the Sustainable Future of Humankind – the Survival of Humanity", Ecimovic et al, editorial presentation at the journal for sustainability of European Academy of Sciences and Arts - EASA, June 2014.
20. "C&ISR – the Individual Social Responsibility and Sustainable Future of Humankind – a basis for Societal Health", Ecimovic et al, 2014.
21. "Filozofija trajnog razvoja i trajne prirodne buducnosti covjecanstva – borba za opstanak covjecanstva – Philosophy of the sustainable development and sustainable future of humankind – survival of humanity", Ecimovic et al, ISBN 978-99955-765-7-8, bilingual booklet, European University, Brcko, Bosnia and Herzegovina, 2013.
22. "Philosophy of the sustainable development and sustainable future of humankind – the survival of humanity". Digital booklet, Ecimovic et al, ISBN 978-961-93453-0-6, 2013,
23. "The Nature and the Requisite Holism", digital book, Ecimovic and Mulej, ISBN 978-961-92378-3-0, March 2014.
24. "The Anthology 2 – 2002 – 2014", 15 volumes, 1370 pages, digital multilingual book, Ecimovic and Mulej, ISBN 978-961-92378-4- May 7<sup>th</sup> 2014.
25. "Univerzalna vzgoja in izobrazevanje in trajnostna sonaravna prihodnost Sloenk in Slovencev" digital book in Slovene, Ecimovic, ISBN 978-961-92378-5-4 (pdf), 2015.
26. "Universal Education and Philosophy of the Sustainable Future of Humankind", digital book in English, Ecimovic, ISBN 978-061- 92378-6-1 (pdf), 2015.

27. “Nature and Social Responsibility”, digital book in English, Ecimovic, Haw and Mulej, ISBN 978-961-92378-7-8 (pdf). October 2015.
28. “Nature 2015 (Anthology 3)”, digital bilingual book in English and Slovene (Slovene 37 – 70 pp.) of 211 pages, Ecimovic and Haw + three guest authors with four presentations, ISBN 978-961-92378-8-5 (pdf), December 2015.

The digital books under numbers 5 and 8 are as the kindle editions on Amazon.com

The donation is given free of charge by the donor Prof Dr Timi Ecimovic to schools, universities, education or other institutions with rights to use it as a tool for learning and researching without any limits set by the donor.

The donation could be used as assets for any business and administration needs without limits from donor.

The main purpose of donation is fostering the sustainable development, sustainable future of humankind or sustainability, universal upbringing, education and whole life learning as a methodology, societal technology or evolution of body and mind of Homo sapiens for needs of humanity to meet challenges of 21<sup>st</sup> century.

The donation is given as Timi small digital reference library at the home page [www.institut-climatechange.si](http://www.institut-climatechange.si) and the receiver of the donation has full rights to use, transfer, apply and administer its good practices and experiences thus making the donation beneficial for a better prosperity and success of the people.

As a part of donation letter there is also short CV of Prof Dr Timi Ecimovic per January 2016, as content supporting the donation.

The information within donation is covering two main topics: The Nature and survival of humankind under challenges in 21<sup>st</sup> century and changes in biosphere of the planet Earth including new methodology of sustainable future of global community of humankind or sustainability.

The donation is given as a good will content for a better universal upbringing, education and whole life learning, because from the content of the donation it is clear, that education, education, and education is the best option for a better tomorrow of humanity or a sustainable development, and sustainable future of global community of humankind.

I am supporting a new system of universal upbringing, education and whole life learning of global community of humankind, based upon good practices of present communication facilities, internet, online, tuition free studies, whole life and distant learning.

Herewith, I - Prof Dr Timi Ecimovic – confirm with my own signature that this donation is an act of good will. Please accept my best wishes for peace, respect, reason, justice, morality, wisdom and sustainable future of our global community of humankind.

Prof Dr Timi Ecimovic

Re.: **CV short**

**Basics:**

- Born: 21st May 1941 in Sarajevo, Yugoslavia.

- Nationality: Slovenian.

- Married, wife Marija Mr. Ph., two children, daughter Seta 55, Mr. Ph., and son Timotej 45, B. Physic Sc., and having two grandsons and one granddaughter,

**Prof Dr Timi Ecimovic** is an eminent international scientist, independent researcher, lecturer, founder and head of SEM Institute for Climate Change retired in May 2004, appointed Chairman for life, which authorities has returned by end of June 2013, co-founder and first Chairman of The World Thinker's Forum established in Vienna, Austria during 2001. Since June 2004 he has been appointed professor and chair of environmental sciences at Ansted University. In October 2012 he was appointed the Rector of WPF University in Athens, Greece, the Vice-Chairman of the World Philosophical Forum (2013), and the NED of the HLHC (2013). He is international consultant of the UN – FAO.

He is researcher working on: The Nature; the Nature, Space and Environment protection; the Climate change system; System thinking; Globalization and global studies; Sustainable Development and Sustainable Future of Humankind. He was among the first researchers (1986 – 1994) to apply nature, space, and environment protection in a local community by activities we call today Local Agenda 21 Processes – a holistic program for survival of our civilization under new challenges of the third millennium. **“Commencing from Local Community Sustainable Future and moving towards Sustainable Future of the Global Community of Humankind”**.

He is independent researchers with many international publications and talks. Together with many researchers in co-operation worldwide within philosophy, operational research, global studies, case studies and complex problem solving research, system thinking, requisitely holism, networking and complexity, swarm research, integration and disintegration of matter and energy and universal education, he is contributing a systemic, requisitely holistic and a better understanding of the present. His latest research within the system theory, system thinking, networking, complexity and swarm research may provide a possible answer enabling us to better understand our world of humans.

For research on the climate change system and the book “System Thinking and Climate Change System (Against a big “Tragedy of Commons” of all of us), Ecimovic, Mayur, Mulej and co-authors, 2002, he was nominated for the Nobel Prize 2003. His work on “The Information Theory of Nature” was his second nomination for The Nobel Prize during 2007 in Physics. His third nomination for The Nobel Prize in Physics 2010 was for “The Environment Theory of the Nature”, published in the book “Three Applications of the System Thinking”, Ecimovic, 2010. Within last 10 years he has contributed trilogy “The Nature”, and

trilogy “The Sustainable Future of Mankind” – please see at: [www.institut-climatechange.si](http://www.institut-climatechange.si)

During 2011 (1<sup>st</sup> of May) he has published results of his research on the Nature, the soft cover paper book and CD “The Principia Nature – The Nature and Homo sapiens Global Community”. It is first presentation of new understanding of the basics of the Nature. At the end of 2011 he was nominated for the Nobel Prize for fourth time in Physics 2012.

On 25<sup>th</sup> September 2011 with ANSTED University and others as international group of researchers he has published digital (pdf) declaration “The World Thinkers’ Panel on the Sustainable Future of Humankind”, “WTP – SFH”, which has been announced at Xiamen, China as English/Chinese “Xiamen Declaration”. The declaration present new approach and it is global panel for work on the sustainability of the global community of humankind.

During 2012 - 2014 he has prepared presentation connected with “The World Thinkers’ Panel on the Sustainable Future of Humankind” – “Principia Nature 1”, “Principia Nature 2”, and “The World Thinkers’ Panel on the Sustainable Future of Humankind – Philosophy, Operational Research, Global Studies, Requisitely Holism and Scientific Responsibility” for 25<sup>th</sup> EURO International Conference and some others. By February 2013 he has published fourth, fifth and sixth book on sustainability and in March 2014 digital book “The Nature and the Requisite Holism”, Ecimovic and Mulej. On May 7<sup>th</sup> 2014 digital book “The Anthology 2 – 2001 – 2014” was published. In May 2014 he has opened new research on “The New Sciences of Network & Complexity and The Nature”. During 2015 five books were published, first by weekly magazine “Mandrac” from Izola, two books on universal upbringing, education and whole life learning in English and Slovene, the book on natural social responsibility and in December the book “Nature 2015 – Anthology 3”.

Prof Dr and Dr h c Timi Ecimovic is member of the European Academy of Sciences and Arts, former Associated Fellow of the World Academy of Arts and Sciences (elected in March 15<sup>th</sup> 2014) and resigned in 2015. In the Slovenian book “Personalities” Great Slovenian Biographic Lexicon. ISBN 978 – 961 – 01 – 0504 – 6, 2008, A – L, p. 225 – Timi Ecimovic, he has been listed, In the Russian book “Global Studies – Encyclopedic Directory”, I. V. Olyin, I. I. Mazour, and A. N. Chumakov, ISBN 978-5-98281-302-2, 2012 – at pp. 80, Timi Ecimovic has been listed as researcher of Global Studies. He is the laureate of the Gusi Peace Prize International from Philippine 2012. He received certificates “The Citizen of the Earth - XXI” and “Aristocrat Certificate” from World Philosophical Forum - WPF. He has 50 years of research activities (1964 – 2014). On June 21<sup>st</sup> 2014 he received award “The Emeritus Citizen” of the

Municipality of Izola and the Community Korte. In November 2015 he received Slovenian special recognition for social responsibility. In December 29<sup>th</sup> he received certificate of been recorded in the Marquis Who' Who, thirty third edition 2016.

He has worked on translations of interesting books and communications (after 1990 for instance book on Permaculture in Croatian language) and edited number of scientific books of which in December 29<sup>th</sup> 2015 “Applying the New Science of Networks to Planetary Agriculture – The Impact of the Climate Change and Demography on food availability up to 2100”, Weiler and Demuyneck.

His recently updated [www.institut-climatechange.si](http://www.institut-climatechange.si) presents majority of written communications 2000 – 2016 and is serving as historical home page. On Internet are numerous digital information and also on SVAROG portal of Slovenia National and University Library – NUK. His home page is anchored with Izola Municipality Library in costal part of Slovenia.

He lives in his eco home in part Upper Medosi of Korte Village within the Izola Municipality, Slovenia. Since 1986 he is working from home office thanks to improvement of the communications worldwide.

Timi Ecimovic
